Cupcake Trees

We have cupcake trees available for rental to showcase our beautiful cupcakes. Cupcake trees are an interesting alternative to traditional wedding cakes, and they are a fun conversation piece at showers, birthdays or any event. It is also fun to mix cupcakes with a smaller cake, placing the cake on the top tier and filling the lower tiers with cupcakes.

3-Tier Cupcake Tree

This cupcake tree is white and holds approximately 3 dozen regular cupcakes or 6 dozen button cupcakes.

\$25.00 per day

\$90.00 deposit

5-Tier Cupcake Tree

This cupcake tree comes in white or bronze and holds approximately 10 dozen regular cupcakes or 20 dozen button cupcakes. This cupcake tree can be "down-sized" to hold fewer cupcakes. Converting to a larger version of the 3-tier tree, it can hold approximately 6 dozen regular cupcakes or 12 dozen button cupcakes.

\$25.00 per day

\$200.00 deposit

Cupcake trees must be returned by 10am the next day in order to avoid an additional rental fee. Additional fees will be deducted from deposits. Deposits for cupcake trees are charged to a credit card and are refunded immediately upon return of the undamaged cupcake tree the next day.

Our cupcakes come in three sizes: button, regular and large. The prices are as follows:

Button	\$1.00

Large	\$2.99

Prices vary, depending on frostings, fillings, toppings and decoration. There is a minimum of one dozen per kind of cupcake for regular or large; two dozen for button.
